Josiah Paull Esq.,
South Crofty Tin Mines Ltd.,
Carn Brea,

Dear Sir,

We have about $2\frac{1}{2}$ Tons of Arsenic Soot for disposal,
which is already barrelled and ready for despatch.

We are not certain as to the exact Assay value, but
should say it is about 90 As_2O_3 . If you are interested, we should
be glad to hear from you on the matter.

Yours faithfully,

Manager.
