Dear Sir

I shall not be selling Tin  
on Friday as usual. I hope to sell some  
next week. Weather I sell next week or no  
I hope to be able to come over & pay  
my monthly rent of 30/-.

Right after my last Tin sale my man was  
taken ill. He was home for some time. It appears  
that I then over done ~~it~~. I had to send for  
the Dr. was ordered off to bed been here since  
I hope that the Dr. will say to day that I can't  
get out of bed, because I feel that I am  
able to now.  
I shant wait for his orders very little longer.

I remain

Yours Truly
