Dear Sir

In reference to our  
conversation of some weeks ago,  
when you were kind enough to  
promise to put some of our sand  
over your Buns toller - will next  
Wednesday suit you for the  
experiment: if so, I will send  
the sand up on Tuesday, & be up  
myself on Wednesday morning to  
conduct the tests  
With many thanks

yours faithfully
