Dear Sirs,

We are indebted for your name to The British Chamber of Commerce and we have pleasure in contacting you for the first time asking you kindly to send us your offer in connection with exporting 1000 tons of coal used in ships and locomotives, for us either F.O.B. or C.I.F. Alexandria port. In case you have more than one sort, please send us the grade name together with your offer for each.

It would be very much appreciated if you would treat this matter as very urgent by sending us your earliest reply.

Yours faithfully,
