

354, Salisbury House,

London Wall, E.C.

9th August, 1916.

J. Paull, Esq.,

South Crofty Mines, Ltd.,

Camborne, Cornwall.

Dear Sir,

Referring to the conversation I had with you at Bodmin regarding the wolfram in the tin from our Mulberry mine, I have asked the Manager to send you a sample of about 1 lb. and should be much obliged if you would have same examined, and let me know whether it is suitable for recovering the wolfram value, also, if so, you would be able to deal with our produce.

Yours faithfully,

*Harold Hills*
