J. Paull Esq,
Lenth Croft Mine.
Sambrea.

Dear Mr. Paull,

In clearing up round the
Alford Mine I have had collected a
useful little lot of good brought sweep-
2-3 tons more or less. consisting of Stepping
Plates - Holding-down Bolts - & other
handy stuff, & if you are open to buy
I shall be glad to know the best price
you can offer ^{per ton} either as it lies or put
f.o.r. Perranporth.

I await your reply before
offering it elsewhere -

Yours faithfully,
F. Mansfield
