Srs. Paul Fig
Manager - South Crofty Mine
Camborne.

Dear Sir

In reference to our
conversation of some weeks ago,
when you were kind enough to
promise to put some of our sand
over your Buns toller - will next
Wednesday suit you for the
experiment: if so, I will send
the sand up on Tuesday, & be up
myself on Wednesday morning to
conduct the tests
With many thanks

yours faithfully
F. A. D. Richmond
Manager
