

I. UNDERGROUND VISITS FORM for use by ADULT PARTICIPANTS

If a participant is under 18, a parental consent form should be used instead of this form.

Ecton Mine Educational Trust and its visit leaders accept their responsibility to make underground visits as safe as is reasonably practicable. However, adventurous activities are inherently hazardous, cannot be completely risk free and the visit participant fully accepts this.

Accidents can happen without any contributory negligence from the Trust or its underground visits leaders. The centre can accept no responsibility for loss, damage to personal property, or for personal injury not arising as a result of their own actions or negligence.

I understand and accept the above statements and accept that I have a responsibility to take careful note of instructions and to act in a way that will minimise the likelihood of injury to me and others. I am fit for the visit and will inform the leader before the visit of any medical conditions that might affect my safety.
