Tir Stent (Cross Foxes) Iron Ore Mine (and Quarry)

SH761165

• Antiquity unknown.
• May have utilised the Dolgun Furnace (SH751187) at some time.
• Townsend and Warner purchased/worked the mine from 1861, also building a shipping point at Penmanepool.
• Between 1908 - 1913 the brymbo steel Co. worked 12,000 tons from there before the mine closed.

• There’s an official cycle track Official Route number 8 that goes by. Now covered by forestry, it could be difficult to survey. Land access tolerance unknown.
